Section #	C	NC	R	Narrative	To Be Corrected
.		X		Complainant stated that an employee was observed on 8/29/22 around 7-8PM preparing food and sneezed, but did not wash his hands. Complainant stated that she asked the employee to wash his hands. She stated he did and showed her and made a snide remark while a couple other employees laughed. Complainant called the manager the next day and told her about it, to which the manager stated that the employee did wash his hands. Complainant also stated that employees were handling the spoon handles without gloves. I went to the establishment and spoke with the manager, Jim Young. Jim and I went over the procedure of handwashing for his employees and how to handle RTE foods. I observed the employees also following the procedure while I was there. I did not observe any violations. Case closed.
